No later than 12:00 noon Eastern Time on Wednesday, December 20, 2017, Counsel for Plaintiffs and Defendants shall file a Motion to Approve Liaison Counsel and Steering Committees. All agreed with the Court's suggestion that it would be beneficial to appoint a Special Master to assist in handling this MDL. So, no later than 12:00 noon Eastern Time on Wednesday, December 20, 2017, Counsel shall caucus and file any recommendations of specific persons. The Court has directed the Clerk of Court to transfer that case back to the transferor court for a ruling on the pending motion to remand. Should the district judge deny the motion, it shall transfer the case back to this MDL. The Court has scheduled a conference beginning at 9:00 a.m. on Tuesday, January 9, 2018. This is an in-person conference for Counsel only. The Court agreed that Plaintiffs and Defendants may each email to the Court, no later than 12:00 noon Eastern Time on Friday, January 5, 2018, suggestions they believe will assist the Court in organizing and managing this MDL. The Court granted Counsel's verbal request to extend the deadline for achieving service to 60 days after the expiration of the time period under Federal Rule Civil Procedure 4(m). Because the Court is still in the early stages of organizing the MDL, the Court has put a moratorium on all filings, other than the ones mentioned herein, for 60 days. | 08/14/2019 | | Order [non-document] - During the monthly status teleconference held on August 13, 2019, it was brought to the Court's attention that there is an issue regarding whether the parties in the October 2019 trial should stipulate to the admission and authenticity of the ARCOS data and the analytical summaries and charts created therefrom. Following discussion, the Court directed the parties to stipulate to the admission and authenticity of the ARCOS data, but would not direct the parties to stipulate to the charts or summaries - a subject that is addressed in Rule 1006 of the Federal Rules of Evidence. Judge Dan Aaron Polster on 8/14/19. (P,R) (Entered: 08/14/2019) |

| 09/17/2019 | | Order [non-document] - Plaintiffs' Motion to Extend Time to File Amended NAS Baby Class Action Complaints (Doc. #: 2605) is GRANTED-IN-PART. The Court grants NAS Baby Plaintiffs an extension of time to 12:00 PM, October 7, 2019, to file amended class action complaints pursuant to the Court's July 11, 2019 Order (Doc. #: 1829). The Court also grants NAS Baby Plaintiffs an extension of time to 12:00 PM, September 30, 2019, to confer with Defendants and file an agreed upon scheduling order that will permit the Court to review a fully briefed class certification motion by the end of the year.The Court is cognizant of Plaintiffs' issues with reviewing the incredible volume of discovery produced in this MDL, however, due to the impending Track One trial, no further extensions of time will be granted on this issue. Judge Dan Aaron Polster on 9/17/19.(P,R) (Entered: 09/17/2019) |
| 09/17/2019 | | Minutes of proceedings [non-document] before Judge Dan Aaron Polster. On September 16, 2109, the Court held a teleconference with Track One trial counsel to discuss various trial issues. The Court directed the parties to file short, concise trial briefs of no more than 10 pages that describe how the parties intend to prove or defend their case. The Court also addressed which portions, if any, of Plaintiffs' claims must be tried to a jury and which must be decided by the Judge. After discussion with trial counsel, the Court stated its intention, absent a showing of undue prejudice to any party or controlling Sixth Circuit or Supreme Court precedent to the contrary, to let a jury decide the issue of liability for creating a public nuisance. The Court believes there will be significant overlap in the evidence between Plaintiffs' RICO, OCPA, and civil conspiracy claims and the evidence necessary to determine liability for the creation of a public nuisance. However, the Court does not intend to allow the jury to hear any evidence regarding abatement. In the event that the jury finds one or more defendant(s) liable for public nuisance, then the Court intends to retain its equitable jurisdiction to determine through a subsequent hearing whether such nuisance can be abated, and if so, to craft an equitable abatement remedy. The Court directs the parties to file a short memorandum by 12:00 PM on Thursday, September 19, 2019, if they are aware of any controlling precedent that would prevent the Court from separating the issues as described above, or if they believe, and can describe in what specific way, they would be unduly prejudiced by so separating these issues. | 10/11/2019 | | Order [non-document] - The Court and the parties have long been preparing for trial with facts and legal issues that pertain to several manufacturers and several distributors. Teva now asserts that, with only one manufacturer defendant instead of five, the trial will be too complicated. This logic fails. The Court is confident the parties will be able to present their case to the jury in an intelligible way. Accordingly, Teva's Motion to Sever (Doc. #: 2788) is DENIED. | 01/02/2020 | | Order [non-document] - NAS Plaintiffs Motion for Leave to File Fourth Amended Class Action Complaint (Doc. #: 2986) is DENIED. In its September 17, 2019 non-document Order, the Court granted NAS Plaintiffs an extension of time to 12:00 PM, October 7, 2019, to file amended class action complaints. The Court further made it very clear that no further extensions of time will be granted on this issue. Thus, there is no doubt that NAS Plaintiffs request is untimely. NAS Plaintiffs do not even attempt to assert that there is good cause for their failure to make these amendments by the Courts deadline, and despite their assertions to the contrary, the Court agrees with Defendants Opposition (Doc. #: 3034) that the proposed amendments would prejudice Defendants. Judge Dan Aaron Polster on 1/2/20.(P,R) (Entered: 01/02/2020) |
| 01/03/2020 | | Order [non-document] - Pharmacy Defendants' Motion for Clarification (Doc. #: 3049) is GRANTED. Plaintiffs may not proceed in the Track 2 cases with discovery against any severed defendants. As stated in other Orders (e.g. Doc. ##: 2976 and 3055), global discovery against the Pharmacy Defendants, including discovery of transactional data involving West Virginia, will proceed before this Court in Track 1B.
